INDEPENDENT AUDITORS' REPORT

January 25, 2012

Board of Directors
Sanitation District No. 4 of Boyd County, Kentucky
Ashland, Kentucky

We have audited the accompanying financial statements of the business-type activities of Sanitation District No. 4 of Boyd County, Kentucky ("the District") as of and for the year ended June 30, 2011 and 2010 as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of Sanitation District No. 4 of Boyd County, Kentucky as of June 30, 2011 and 2010, and the changes in financial position and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated January 25, 2012 on our consideration of Sanitation District No. 4 of Boyd County, Kentucky's internal control over financial reporting and our tests of its compliance with laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The management's discussion and analysis and supplemental schedule on pages 5 - 8 and 21 are not a required part of the basic financial statements but are supplementary information required by the GASB. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the method of measurement and presentation of the supplementary information. However, the information in the schedule has not been subjected to the auditing procedures applied in the audit of the basic financial statements and we offer no opinion on it.
