INDEPENDENT AUDITOR'S REPORT

HONORABLE MAYOR AND CITY COMMISSIONERS

CITY OF HAZARD

HAZARD, KENTUCKY

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Hazard, Kentucky, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the City of Hazard, Kentucky's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Hazard, Kentucky, as of June 30, 2019, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension and OPEB supplemental reporting and budgetary comparison information on pages 4–8 and 66–69 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Hazard, Kentucky's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements, comparative water and sewer fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements, comparative water and sewer fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2020, on our consideration of the City of Hazard, Kentucky's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Hazard, Kentucky's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Hazard, Kentucky's internal control over financial reporting and compliance.

1 And

Chris Gooch Certified Public Accountant

Hazard, Kentucky

January 9, 2020

MANAGEMENT'S DISCUSSION AND ANALYSIS

For the Year Ended June 30, 2019

As management of the City of Hazard, we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2019. This information should be considered in conjunction with the accompanying financial statements and disclosure following this section.

FINANCIAL HIGHLIGHTS

- The beginning cash balance, including investments and fiduciary funds, for the City was \$5,244,025 of which \$3,918,975 is considered restricted. The ending cash balance, including investments and fiduciary funds, for the City was \$5,601,862 of which \$4,293,530 is considered restricted.
- Long-term debt decreased by \$474,924, consisting of general fund long-term debt principal of \$61,116 and proprietary fund debt principal of \$413,808. No new debt was issued during the fiscal year.
- The City recorded \$454,688 in governmental fixed assets and \$3,069,561 in proprietary fund fixed assets during the fiscal year. Governmental fixed asset additions included a fire department tanker truck for \$223,030 and police station improvements of \$143,340. Proprietary fixed assets consist largely of ongoing water, sewer and gas improvements.
- The City adopted GASB's 68 and 75 in a prior fiscal year and at June 30, 2019 recognize net pension liability of \$9,040,632 and a net OPEB liability of \$2,636,383 in relation to the City's participation in the County Employee's Retirement System. The net pension liability for the prior fiscal year was \$9,815,405 and the OPEB liability was \$3,376,978.
- Following are total customer users serviced directly by the City at beginning and end of year:

	Beginning of	End of
	Year	Year
a. Water	8,721	8,790
b. Sewer	3,112	3,172
c. Gas	1,618	1,637

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

For the Year Ended June 30, 2019

OVERVIEW OF FINANCIAL STATEMENTS

The discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide financial statements

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The statement of activities presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements outline functions of the City that are principally supported by property taxes, intergovernmental revenues and customer charges. The governmental activities of the City include general government, police and fire protection, public works and highway and streets. Fixed assets and related debt are also supported by taxes and intergovernmental revenues.

Fund financial statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental, proprietary and fiduciary funds. Fiduciary funds include the Fire-Police Pension Fund, Disbursement Fund, Payroll Fund, and Jacklot Hollow Development Trust Fund. Proprietary funds include the Garbage Fund, Gas Fund, Water Fund, Sewer Fund, Public Improvement Fund, The Hazard Pavilion, Starland Building and the Hazard Forum. All other activities are reported under governmental funds.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

For the Year Ended June 30, 2019

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of a government's financial position. As of June 30, 2019, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$34,331,242.

The greatest portion of the City's net position reflects its investment in capital assets (e.g., land and improvements, infrastructure, buildings and improvements, vehicles, furniture and equipment and ongoing construction projects, where applicable), less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to the citizens of Hazard and to customers for whom the City provides services; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The City's financial position is the product of several financial transactions including the net results of activities, the acquisition and payment of debt, the acquisition and disposal of capital assets, and the depreciation of capital assets.

Net position for the Year Ended June 30, 2019

Following are a comparison of net position for the prior two years ended:

	Year Ended		
	<u>2019</u>	<u>2018</u>	
Current Assets	\$ 4,577,933	\$ 4,156,225	
Noncurrent Assets	52,586,411	50,963,662	
Deferred Outflows of Resources	2,153,185	3,479,162	
Total Assets and Deferred Outflows of Resources	59,317,529	58,599,049	
Current Liabilities	2,660,204	2,148,445	
Noncurrent Liabilities	19,909,068	22,023,065	
Deferred Inflows of Resources	2,417,015	1,690,161	
Total Liabilities and Deferred Inflows of Resources	24,986,287	25,861,671	
Net Position			
Net Investment in Capital Assets	42,181,498	40,166,062	
Restricted	2,598,592	2,242,762	
Unrestricted	(10,448,848)	(9,671,446)	
Total Net Position	34,331,242	32,737,378	
Total Liabilities, Deferred Inflows of			
Resources and Net Position	\$ 59,317,529	\$ 58,599,049	

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

For the Year Ended June 30, 2019

- Deferred outflows of resources decreased \$1,325,977, deferred inflows of resources increased by \$726,854 and net pension and OPEB liability decreased by \$1,515,367 due to recognition of the actuarially determined liabilities.
- Noncurrent assets increased due to recognition of water, sewer and gas improvement projects.
- Current liabilities increased by \$578,397, consisting largely of an increase in accounts payable of \$331,876.

The following is a comparison of general fund budget to actual:

Revenues:	<u>Budget</u> <u>Actual</u>		
Local revenue sources	\$ 6,623,234	\$ 6,548,873	\$ (74,361)
Intergovernmental revenues	343,994	326,891	(17,103)
Total Revenues	6,967,228	6,875,764	(91,464)
Expenditures:			
General government	1,320,645	1,191,104	129,541
Police	2,384,383	1,598,544	785,839
Fire	1,291,026	1,151,693	139,333
Public works	1,626,804	1,076,669	550,135
Other expenditures	66,664	77,599	(10,935)
Capital outlay	-	88,318	(88,318)
Debt service		85,146	(85,146)
Total Expenditures	6,689,522	5,269,073	1,420,449
Excess of Revenues over Expenditures	\$ 277,706	\$ 1,606,691	\$ 1,328,985

- Debt service is not a budgeted expenditure.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

For the Year Ended June 30, 2019

The following table presents a comparison of government-wide funds revenue and expense for fiscal years ended June 30, 2019 and 2018:

	Fiscal Year Ended			
	2019	<u>2018</u>		
Revenues:				
Taxes and other local revenues	\$ 6,499,189	\$ 6,547,206		
Intergovernmental revenues	739,483	513,712		
Charges for services	7,834,939	8,695,127		
Total revenues	15,073,611	15,756,045		
Expenses:				
General government	1,287,850	1,490,632		
Police	1,791,956	2,150,705		
Fire	1,293,068	1,405,585		
Public works	1,172,832	1,271,003		
Highway and streets	394,353	104,898		
Other expenditures	91,542	131,442		
Utility services	9,303,546	9,787,874		
Other proprietary expenses	770,832	875,548		
Total expenses	16,105,979	17,217,687		
Change in net position	<u>\$ (1,032,368)</u>	<u>\$ (1,461,642)</u>		

- Charges for services decreased in large part due to a contractor taking over billing for commercial customers in the prior fiscal year. Charges for services and utility service expenses decreased also due to lower customer usage during the fiscal year.

BUDGETARY IMPLICATIONS

In Kentucky the fiscal year for municipalities is July 1-June 30; other programs, i.e. some federal operate on a different fiscal calendar, but are reflected in the City's overall budget.

Results of the current fiscal year and recent historical trends for the City were taken into account when preparing the 2019-20 budget. No significant revenue or expense line items are foreseeable. Revenues for proprietary funds are monitored for significant expenditures/obligations that may have an effect on rates charged to customers of the City. The City has assessed underlying economics risk factors that are prevalent for the geographic area and considered these risk factors when preparing budgets.

Questions regarding this report should be directed to the Mayor, City Manager or Chief Finance Officer at (606) 436-3171.

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF <u>GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES</u>

For the Year Ended June 30, 2019

Net change in total fund balances per fund financial statements		\$ (209,880)
Amounts reported for governmental activities in the statement of activities differences:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. Capital outlay Depreciation	\$ 454,688 (197,657)	257,031
Loan proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. The repayment of the principal of long- term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. This is the amount by which repayments exceeded proceeds.		
Principal payments	61,116	
Note proceeds	\$ 	61,116
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds		
Change in compensated absences		(34,045)
Governmental funds report pension contributions as expenditures. However, in the statement of activities, the cost of pension/OPEB benefits earned net of employee contributions are reported as pension/OPEB expense.		(287,431)
· ·		 (207,731)
Change in net position of governmental activities		\$ (213,209)

NOTES TO FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS

June 30, 2019

1. - General Statement and Summary of Significant Accounting Policies

General Statement

The City of Hazard, Kentucky (The "City") was incorporated in 1884, under the provisions of the State of Kentucky. The City operates under City manager form of government and provides the following services as authorized by its charter: Public safety (police and fire), streets, sanitation, recreation, public improvements, planning and zoning, and general administrative services. Other services include utilities.

A. The Reporting Entity

In evaluating how to define the City for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria set forth in GAAP. The basic – but not the only – criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations and accountability for fiscal matters. The other criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the City is able to exercise oversight responsibilities. Based upon the application of these criteria, the following is a brief review of each potential component unit addressed in defining the City's reporting entity.

Excluded from the reporting entity:

Hazard Independent School District

The Hazard Independent School District selects management staff, sets tax rates, establishes budgets and controls all aspects of their daily activities.

Hazard Housing Authority

The Hazard Housing Authority is excluded as they have their own management staff and are under the supervision of HUD.

Hazard-Perry County Community Ministries, Inc.

Hazard-Perry County Community Ministries, Inc. is excluded as they are a separate entity and have their own management board.

Hazard-Perry County Airport Board

Hazard-Perry County Airport Board is excluded as they have their own management board.

<u>Bobby Davis Museum and Park of Hazard and Perry County, Kentucky, Inc.</u> Bobby Davis Museum and Park of Hazard and Perry County, Kentucky, Inc. is excluded as they have their own management board.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

B. Government-Wide and Fund Financial Statements

Government-wide Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report financial information for the City as a whole excluding fiduciary activities such as employee pension plans. The primary government is presented separately within the financial statements with the focus on the primary government. Individual funds are not displayed but the statements distinguish governmental activities, generally supported by taxes and City general revenues, from business-type activities, generally financed in whole or in part with fees charged to external customers.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, fines and forfeitures, and other charges to users of the City's services; (2) operating grants and contributions which finance annual operating activities including restricted investment income; and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets and include fees to developers. These revenues are subject to externally imposed restrictions to these program uses. Taxes and other revenues not properly included with program revenues are reported as general revenues.

Fund Financial Statements

Fund financial statements are provided for governmental, proprietary, and fiduciary funds. Major individual governmental and enterprise funds are reported in separate columns with composite columns for non-major funds.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the City are prepared in accordance with generally accepted accounting principles (GAAP). The government-wide statements report using the economic resources measurement focus and the accrual basis of accounting generally including the reclassification or elimination of internal activity (between or within funds). However, internal eliminations do not include utility services provided to City departments. Reimbursements are reported as reductions to expenses.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

C. <u>Measurement Focus, Basis of Accounting, and Financial Statement Presentation</u> (continued)

Proprietary and fiduciary fund financial statements also report using this same focus and basis of accounting although internal activity is not eliminated in these statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property tax revenues are recognized in the year for which they are levied while grants are recognized when grantor eligibility requirements are met.

Pension trust funds recognize employer and participant contributions in the period in which contributions are due and the City has made a formal commitment to provide the contributions. Retirement benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported as expenditures in the year due.

Major revenue sources susceptible to accrual include: property taxes, franchise taxes (fees), intergovernmental revenues, and investment income. In general, other revenues are recognized when cash is received.

Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary, continuing operations of the fund. Principal operating revenues for proprietary funds are charges to customers for sales or services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as non-operating in the financial statements.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as needed.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

D. Fund Types and Major Funds

Governmental Funds

The City reports the following major governmental funds:

General Fund – reports as the primary fund of the City. This fund is used to account for all financial resources not reported in other funds.

Other governmental funds include:

Special Revenue Funds - accounts for the proceeds of specific revenue sources (other than special assessments, expendable trust or major capital projects) that are legally restricted to expenditures for specified purposes. Special revenue funds include Mayor and Commissioners Special Recreation, Asset Forfeiture Fund, Municipal Road Aid, LGEA Coal and Mineral Severance, Police Report Fund, and the Hazard Flood Inundation Mapping Project.

Capital Project Funds – accounts for financial resources to be used for the acquisition and construction of major capital facilities. Capital project funds include Fire Department Equipment Fund, FEMA Grant Fund and Fire Department Fund.

Proprietary Funds

The City reports the following major proprietary funds:

Water, Sewer, and Gas – accounts for operations that are financed and operated in a manner similar to private business enterprises where the costs of providing services to the general public on a continuing basis are financed through user charges.

The City has five other proprietary funds, the Hazard Pavilion, Hazard Forum, Starland Building, Garbage and the Public Improvement Corp Fund.

Other Fund Types

The City also reports the following fund types:

Trust Funds – reports fiduciary resources held in trust and the receipt, investments and distribution of retirement contributions and rental activities. Trust funds include Fire-Police Pension Fund and Jacklot Hollow Development Trust.

Agency Funds – accounts for funds that are generally custodial in nature and do not involve measurement or results of operations. Agency funds include the Disbursement and Payroll Funds.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

E. Assets, Liabilities, and Net Position or Equity

1. Cash and Investments

Cash and investments are separately held and reflected in their respective funds as "cash and cash equivalents" and "investments" some of which are restricted assets. The City considers the above in its definitions for applicability of cash flow statement use.

The City reporting entity considers highly liquid investments (including restricted assets) with an original maturity of one year or less when purchased to be cash equivalents.

Investments are reported at fair value which is determined using selected bases. Short-term investments are reported at cost, which approximates fair value. Cash deposits are reported at carrying amount which reasonably estimates fair value.

2. Inventories and Prepaids

Inventories in governmental funds consist of expendable supplies held for consumption stated on a first-in, first-out basis. They are reported at cost which is recorded as an expenditure at the time individual inventory items are used. Proprietary fund and similar component unit inventories are recorded at the lower of cost or market on a first-in, first-out basis.

Prepaids record payments to vendors that benefit future reporting periods and are also reported on the consumption basis. Both inventories and prepaids are similarly reported in government-wide and fund financial statements.

3. Capital Assets, Depreciation, and Amortization

The City's property, plant, equipment, and infrastructure with useful lives of more than one year are stated at historical cost and comprehensively reported in the government-wide financial statements. The City maintains infrastructure asset records consistent with all other capital assets. Proprietary and component unit capital assets are also reported in their respective fund and combining component units financial statements. Donated assets are stated at fair value on the date donated. The City generally capitalizes assets with cost of \$1,000 or more as purchase and construction outlays occur. The costs of normal maintenance and repairs that do not add to the asset value or materially extend useful lives are not capitalized. Capital assets, including those of component units, are depreciated using the straight-line method. When capital assets are disposed, the cost and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

E. Assets, Liabilities, and Net Position or Equity (continued)

Depreciation has been calculated on each class of depreciable property using the straight-line method, with one-half year's depreciation in the year of acquisition. Estimated useful lives are as follows:

Water and sewer line extensions	30 – 50 years
Buildings	30-50 years
Furniture and office equipment	5-10 years
Water storage tanks	50 years
Vehicles and equipment	4-10 years
Sewer treatment plant	24 years

4. Long-term Debt, Deferred Debt Expense, and Bond Discounts/Premiums

In the government-wide and proprietary financial statements, outstanding debt is reported as liabilities. Bond issuance costs, bond discounts or premiums, and the difference between the reacquisition price and the net carrying value of refunded debt are capitalized and amortized over the terms of the respective bonds using a method that approximates the effective interest method.

The governmental fund financial statements recognize the proceeds of debt and premiums as other financing sources of the current period. Issuance costs are reported as expenditures.

5. Fund Equity

The City implemented Governmental Accounting Standards Board No. 54, Fund Balance Reporting and Governmental Fund Type Definitions effective for the fiscal year ended June 30, 2011. This standard clarifies existing governmental fund type definitions and establishes fund balance classifications based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. Classifications will include *nonspendable*, examples being prepaid items and inventory, and the following spendable fund balances – *restricted* – fund balances that are constrained by external parties, constitutional provisions or enabling legislation, *committed* – fund balances that contain self-imposed constraints of the government from its highest level of decision making authority, *assigned* – fund balances that contain self-imposed constraints of the government to be used for a particular purpose and *unassigned* – fund balance of the general fund that is not constrained for any particular purpose. The standard affects fund balance reporting only and does not affect government-wide or proprietary fund financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

E. Assets, Liabilities, and Net Position or Equity (continued)

The following schedule reflects governmental fund balances at June 30, 2019:

Fund balances:

	General		Non-major		
		Fund		Funds	Total
Unassigned	\$	146,047	\$	-	\$ 146,047
Nonspendable		35,025		-	35,025
Restricted		198,018		431,539	 629,557
Total fund balances	\$	379,090	\$	431,539	\$ 810,629

6. Fund Equity

GASB 63, implemented for the fiscal year ended June 30, 2013, has changed the presentation of the City's financial statements to incorporate the concepts of net position, deferred outflows of resources and deferred inflows of resources. Net position represents the difference between assets and deferred outflows and liabilities and deferred inflows. The net position component "investment in capital assets, " consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for acquisition, construction or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction or improvement of those assets or related debt also should be included in this component of net position. Net position is reported as restricted when there are limitations on its use either through the enabling legislation adopted by the City or through external restrictions imposed by the creditors, grantors or laws or regulations of other governments.

F. Sources of Revenue and Other General Information

1. Revenues

The major sources of revenue other than general fund tax and licenses and proprietary fee for services are federal and state grants, state financial assistance, local contributed cash, contributed services, and other revenues as discussed below:

a. Federal and State Grant Revenue

Grant revenue is recognized when program expenditures are incurred in accordance with program guidelines. Such revenue is subject to review by the funding agency and may result in disallowance in subsequent periods.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

F. Sources of Revenue and Other General Information (continued)

b. State Financial Assistance

State financial assistance revenues are recognized upon notification of the amount of the award as the resources are collectible within the current period.

c. Local Contributed Cash

Contributions to grant programs from local governments and other participants are recognized as revenue when grant expenditures are incurred in the case of cost reimbursement grants.

d. In-Kind - Contributed Services

Local contributions, which include contributed services provided by individuals, private organizations and local governments, are used to match federal funding on various grants. Contributed services are therefore reflected as revenue and expenditures in accordance with legal requirements of the individual grants. Contributed services are recorded as an expenditure with an equivalent amount recorded as revenue. The amounts of such services are recorded in the accompanying financial statements at their estimated fair values at date of receipt.

e. Other Revenues

Other revenues are composed primarily of interest and miscellaneous charges for services. Interest income is recorded as earned since it is measurable and available. Miscellaneous charges for services are recorded as revenues when received in cash because they are generally not measurable until actually received.

2. Leases

Leases that transfer substantially all of the risks and benefits of ownership are capital leases. Other leases are operating leases. Capital leases are included in property and equipment and are amortized using the straight-line method over their respective terms. Operating leases are expensed over the terms of the leases.

3. Budgets and Budgetary Accounting

The City follows these procedures in establishing the budgetary data reflected in the fund financial statements:

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

F. Sources of Revenue and Other General Information (continued)

- a. Formal budgetary integration is employed as a management control device during the year for the general fund and special revenue funds as well as for all enterprise funds. These budgets are adopted on a basis consistent with generally accepted accounting principles.
- b. Budgetary data for capital project funds has not been presented in the accompanying combined financial statements as such funds are budgeted over the life of the respective project and not on an annual basis.
- c. The City Commission approves, by ordinance, total budget appropriations only. Any revisions thereafter for any fund must also be approved by the City Commission. Therefore, the level of budgetary responsibility is by total appropriations. However, for report purposes this level has been expanded to a functional basis (general government, public safety, etc.).
- d. Unused appropriations for all of the above annually budgeted funds lapse at the end of year.
- e. The budget amounts shown in the financial statements are the final authorized amounts as revised during the year.

4. Leave Policies

Vacation

The vacation leave in 2019 is 3 calendar weeks per year.

Vacation leave must be taken within the year after it is accumulated.

Absences on account of sickness, injury or disability in excess of that authorized for such purposes may be charged to vacation leave credit.

Sick

All full-time employees shall be granted one working day sick leave credit with pay for each completed calendar month of service. Sick leave may be accumulated to a maximum of 60 working days.

At June 30, 2019, accrued compensated absences totaled \$64,502 based on the number of days earned for each employee.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

F. Sources of Revenue and Other General Information (continued)

5. Property Tax Calendar

Property taxes for the fiscal year were levied in September 2018, on the assessed valuation of property in Perry County as of the preceding January 1, the lien date. The due date and collection periods for all taxes exclusive of vehicle taxes, are as follows:

	Description	Per KRS 134.020
1.	Due date for payment of taxes, 2% discount	30 days from the date mailed
2.	Face value amount payment date	31-60 days from the date mailed
3.	Delinquent date 10% penalty, .5% interest per month	Beyond 61 days until collected

Vehicle taxes are collected by the County Clerk of Perry County and are due and collected in the birth month of the vehicle's licensee.

6. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

7. Accounting for Pensions and Other Post-Employment Benefits (OPEB)

GASB Statements Nos. 67 and 68, Accounting and Financial Reporting for Pensions – an amendment of GASB Statement 27 and GASB Statement No. 71 improves accounting and financial reporting by state and local governments for pensions and GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions, improves information provided by state and local governmental employers about financial support for pensions and OPEB that is provided by other entities. These Statements result from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions/OPEB with regard to providing decisions-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency. These Statements were effective for fiscal years beginning after June 15, 2014 for pension reporting and fiscal year beginning after June 15, 2017 for OPEB, each have been implemented by the City of Hazard.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

F. Sources of Revenue and Other General Information (continued)

8. Recently Issued Accounting Pronouncements

The City has implemented the following new accounting pronouncements, where applicable:

- GASB Statement No. 83—Certain Asset Retirement Obligations, Effective for the City's fiscal year ending June 30, 2019.
- GASB Statement No. 88—Certain Disclosures Related to Debt, including Direct Borrowing and Direct Placements, Effective for the City's fiscal year ending June 30, 2019.

The adoption of GASB Statement Numbers 83 did not have an impact on the City's financial position or results of operations.

The City will adopt the following new accounting pronouncements in future years:

- GASB Statement No. 84—Fiduciary Activities, effective for the City's fiscal year ending June 30, 2020.
- GASB Statement No. 87—Leases, effective for the City's fiscal year ending June 30, 2021.
- GASB Statement No. 89—Accounting for Interest Cost Incurred before the End of a Construction Period, effective for the City's fiscal year ending June 30, 2021.

The impact of these pronouncements on the City's financial statements has not been determined.

2. - Cash and Investments

The carrying amount of the City's deposits with financial institutions and petty cash was \$5,601,862 and the bank balance was \$6,071,289.

Custodial credit risk is the risk that in event of bank failure the deposits may not be returned or that the City may not recover collateral securities. The City requires deposits to be secured by collateral valued at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance (FDIC). At June 30, 2019, \$1,680,899 was insured by FDIC, \$3,954,828 was collateralized with securities held by the pledging financial institution's trust department in the City's name and \$435,562 of the City's deposits were not collateralized.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

2. - Cash and Investments (continued)

At June 30, 2019, the City's deposits at Peoples Bank and Trust and First Federal Savings and Loan were not fully covered by collateral agreements. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Investments held for longer periods are subject to increased risk of adverse interest rate changes.

The City does not retain any long-term investments. Concentrations of credit risk are the risk of loss attributed to the magnitude of the City's investments in a single issuer. All of the organization's cash is held at local financial institutions. Foreign currency risk is the risk of changes in exchange rates affecting foreign investments. The City does not hold any foreign investments.

Other Investments:

Investment in the Hazard Gas Company is accounted for under the equity method, at cost, increased or decreased by the Hazard Gas Company's share of earnings or losses, less transfers. The Hazard Gas Company is 100% owned by Public Improvement Corporation. As of June 30, 2019, the balance is \$307,321.

Investment in the Hazard Pavilion is accounted for under the equity method, at cost, increased or decreased by the Hazard Pavilion's share of earnings or losses, less transfers. The Hazard Pavilion is 100% owned by Public Improvement Corporation. As of June 30, 2019, the balance is \$(710,966).

For financial reporting purposes, the investment and related earnings from the subsidiaries are eliminated in the combining financial statements.

3. - <u>Retirement Plans</u>

The City of Hazard is a participating employer of the City of Hazard Policemen's and Firemen's Pension Fund of those employees hired before August 31, 1989 and after this date County Employee's Retirement System.

A summary of the City of Hazard Policemen's and Firemen's Pension fund is as follows:

Effective Date	March 2, 1953.			
Plan Year (Fiscal Year)	The 12-month period ending June 30.			
Participants	Policemen and Firemen employed before 1989 by the City of Hazard, Kentucky.			
Normal Eligibility	20 years of service.			

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

3. - Retirement Plans (continued)

Retirement Pension Benefit	50% of salary at a time of retirement.
Disability Eligibility	Total and permanent disability incurred by reason of service with the Police or Fire Department.
Pension Benefits	50% of salary at time of retirement.
Retiree Survivors Benefits	If a retiree dies, his monthly pension will continue to his surviving spouse for life. In addition, there are fixed dollar amounts which can be paid to surviving children and parents.
Death Before Retirement	If an active participant dies in the line of duty or with at least 15 years of service, the widows and orphans benefits outline above will be paid.
Vesting	The employee is always vested in the value of his own contributions. He is not, however, vested in any monthly pension prior to completing 20 years of service.
Employee Contributions	Equal to the amount the employee would contribute to the Social Security system in payroll taxes.
Employer Contributions	City of Hazard contributes to the general fund the balance needed to fund the Plan offset by Employee Contributions.

The City of Hazard plan (KRS 95.620 Revised Subsection 2) has no active employees (firemen and policemen) covered by the City of Hazard Policemen's and Firemen's Pension Fund. Funding for the plan was provided through payroll withholding of 7.65% and a City's contribution of the balance needed to fund the plan offset by employer's contributions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

3. - Retirement Plans (continued)

The City of Hazard has a total of 125 employees under the County Employee's Retirement System, (CERS) a cost sharing, multiple-employer, public employer retirement system. Funding for the plan is provided through a payroll withholding of 5%, except for new hires on or after September 1, 2008 with payroll withholdings of 6%, and a City's contribution of 21.48% of the employees total compensation subject to contribution. The City does not participate in the hazardous plan of CERS but provides a pass-through hazardous CERS contribution for one police officer who is funded through the federal UNITE program.

CERS issues a publicly available financial report included in the Kentucky Retirement Systems Annual Report that includes financial statements and the required supplementary information for CERS. That report may be obtained by writing to Kentucky Retirement Systems, Perimeter Park West, 1260 Louisville Road, Frankfort, Kentucky 40601or by calling (800) 928-4646 or at https://kyret.ky.gov.

Benefits under both plans will vary based on final compensation, years of service and other factors as fully described in the plan documents.

At June 30, 2019, the City reported the following for its proportionate share of net pension liability. The net pension liability was measured as of June 30, 2018 for the City's proportionate share of net CERS pension liability and June 30, 2019 for the City's Firemen's and Policemen's Pension Fund. At June 30, 2018 the City's proportion of the net pension liability based on contributions to CERS during fiscal year ended June 30, 2017 was .144256% for non-hazardous and .010544% for hazardous. The City's proportionate share was 100% for the Firemen's and Policemen's Pension Fund.

City's proportionate share of the net	
CERS non-hazardous pension liability	\$ 8,785,630
City's proportionate share of the net	
CERS hazardous pension liability	\$ 255,002
City's proportionate share of the net	
Firemen-Police pension liability	\$ 5,396,868

For the year ended June 30, 2019, the City's financial statements reported pension expense of \$754,894 for CERS non-hazardous, \$21,959 for CERS hazardous and \$380,680 for the Firemen-Police pension. For the year ended June 30, 2019 the City recognized deferred outflows of resources for non-hazardous, hazardous and firemen-police of \$1,553,713, \$62,856 and \$23,041, respectively, and deferred inflows of resources for non-hazardous, hazardous and firemen-police of \$1,599,849, \$28,509 and \$0, respectively. These contributions will be recognized as a reduction of the net pension liability in subsequent fiscal years.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

3. - Retirement Plans (continued)

The City previously reported deferred inflows of resources related to pensions from the net difference between projected and actual earnings on pension plan investments. This will be recognized as pension expense as follows:

	Non-hazardous	Hazardous	Firemen-Police
Year	<u>Total</u>	Total	Total
2019	224,658	18,673	-
2020	4,385	16,850	5,760
2021	(228,026)	(25)	5,760
2022	(47,154)	(1,151)	5,760

3. - Retirement Plans (continued)

- Valuation date, June 30, 2016
- Experience study July 1, 2008 June 30, 2013
- Actuarial Cost method Entry Age Normal
- Amortization Method Level percentage of payroll, closed
- Remaining Amortization Period 27 years, closed
- Asset Valuation method 20% of the difference between the market value of assets and the expected actuarial value of assets is recognized
- Inflation -3.25%
- Salary increases, 4.00% average
- Investment rate of return 7.50%

The financial reporting actuarial valuation for Firemen-Police as of July 1, 2019, used the following actuarial methods and assumptions, applied to all prior periods included in the measurement:

- Valuation date, July 1, 2019
- Actuarial Cost method Entry Age Normal
- Amortization Method Level dollar, open
- Remaining Amortization Period 15 years
- Asset Valuation method Market value
- Cost of living adjustments Not applicable
- Salary increases Not applicable
- Investment rate of return -2.79%, net of pension plan investment expense, including inflation

The rates of mortality for the period after service retirement are according to the RP-2000 Combined Mortality Table with Scale BB to 2013.

The target asset allocation and best estimates of arithmetic real rate of return for each major asset class, as provided by CERS's investment consultant, are summarized as follows:

		Long-term
Non-hazardous and Hazardous		Expected
	Target	Nominal
Asset Class	Allocation	Return
US Equity	17.50%	
US Large Cap	5.00%	4.50%
US Mid Cap	6.00%	4.50%
US Small Cap	6.50%	5.50%
Non US Equity	17.50%	
International Developed	12.50%	6.50%
Emerging Markets	5.00%	7.25%

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Absolute Return	10.00%	5.00%
Real Return	10.00%	7.00%
Cash	2.00%	1.50%
	100.00%	6.09%

The target asset allocation and best estimates of arithmetic real rate of return for each major asset class, as provided by Firemen-Police's investment consultant, are summarized as follows:

			Long-term
	Firemen-Police		Expected
		Target	Nominal
	Asset Class	Allocation	Return
Cash		100.00%	2.79%

Discount Rate – The discount rate used to measure the total pension liability for CERS and Firemen-Police was 6.25% and 2.79%, respectively. The projection of cash flows used to determine the discount rate assumed contributions from plan members and employers will be made at statutory contribution rates. Projected inflows from investment earnings were calculated using the long-term assumed investment return of 7.50% for CERS and 2.79% for Firemen-Police. The long-term assumed investment rate of return was applied to all periods of projected benefit payments to determine the total pension liability.

Deferred inflows and outflows and pension expense include only certain categories of deferred outflows of resources and deferred inflows of resources. These include differences between expected and actual experience, changes of assumptions and differences between projected and actual earnings on plan investments. The schedule does not include deferred outflows/inflows of resources for changes in the employer's proportionate share of contributions or employer contributions made subsequent to the measurement date. The net pension liability is based on the June 30, 2018 actuarial valuations for CERS and June 30, 2019 actuarial valuations for Firemen-Police. Deferred outflows and inflows related to differences between projected and actual earnings on plan investments are netted and amortized over a five year period.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

3. - Retirement Plans (continued)

The following presents the City's proportionate share of net pension liability calculated using the discount rate for CERS of 6.25% and the Firemen-Police rate of 2.79%, as well as the City's share, if calculated using a rate 1% higher and 1% lower:

	1%	Current	1%
	Decrease	Discount Rate	Increase
	<u>5.25%</u>	6.25%	7.25%
City's proportionate share of			
net non-hazardous pension liability	\$ 11,060,198	\$ 8,785,630	\$ 6,879,940
City's proportionate share of net hazardous pension liability	\$ 319,501	\$ 255,002	\$ 201,682
	<u>1.79%</u>	<u>2.79%</u>	<u>3.79%</u>
City's proportionate share of the net			
Firemen-Police pension liability	\$ 6,231,788	\$ 5,396,868	\$4,704,041

There were no payables to the pension plans at June 30, 2019.

4. - OPEB Plans

General Information about the OPEB Plan

Plan description – Substantially all full-time employees of the City are provided OPEBs through the County Employees Retirement System of the State of Kentucky (CERS)—a cost-sharing multiple-employer defined benefit OPEB plan. CERS was created by the Kentucky General Assembly pursuant to the provisions of Kentucky Revised Statute 78.520.

CERS issues a publicly available financial report included in the Kentucky Retirement Systems Annual Report that includes financial statements and the required supplementary information for CERS. That report may be obtained by writing to Kentucky Retirement Systems, Perimeter Park West, 1260 Louisville Road, Frankfort, Kentucky 40601 or by calling (800)928-4646 or at https://kyret.ky.gov.

The State reports a liability, deferred outflows of resources and deferred inflows of resources, and expense as a result of its statutory requirement to contribute to the KRS Insurance Fund. The following information is about the KRS plans:

Medical Insurance Plan

Plan description – In addition to the OPEB benefits described above, KRS provides postemployment healthcare benefits to eligible members and dependents. The KRS Insurance benefit is a cost-sharing multiple employer defined benefit plan.

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

4. - OPEB Plans (continued)

Benefits provided – Benefits under the plan will vary based on years of service and other factors as fully described in the plan documents.

Contributions – In order to fund the post-retirement healthcare benefit, participants hired on or after September 1, 2008 contribute 1% of total compensation subject to contribution for non-hazardous and hazardous duty positions. Also, the premiums collected from retirees as described in the plan documents and investment interest help meet the medical expenses of the plan.

OPEB Liabilities, **OPEB** Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEBs

At June 30, 2019, the City of Hazard reported a liability of \$2,561,201 and \$75,182 for its proportionate share of the collective net CERS non-hazardous and hazardous OPEB liability, respectively. The collective net OPEB liability was measured as of June 30, 2018, and the total OPEB liability used to calculate the collective net OPEB liability was based on a projection of the City's long-term share of contributions to the OPEB plan relative to the projected contributions of all participating employers, actuarially determined. At June 30, 2019, the City's proportion was .144254% for non-hazardous and .010545% for hazardous. The previous year proportion were .163860% and .010020%, respectively.

The amount recognized by the City as its proportionate share of the OPEB liability was as follows:

City's proportionate share of the net CERS non-hazardous OPEB liability	\$2	,561,201
City's proportionate share of the net CERS hazardous OPEB liability	\$	75,182

For the year ended June 30, 2019, the City recognized OPEB expense of \$375,380 and \$12,610 for non-hazardous and hazardous, respectively. At June 30, 2019, the City reported deferred outflows of resources and deferred inflows of resources related to OPEBs from the following sources:

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

4. - OPEB Plans (continued)

	Non-hazardous				Hazardous				
		d Outflows sources	Deferred Inflows of Resources		Deferred Outflows of Resources		vs Deferred Inf of Resource		
Differences between expected and actual experience	\$	-	\$	298,474	\$	-	\$	8,402

Net difference between projected and actual earnings on plan investments		-		176,417		-		7,147	
Changes in proportion and differences between City contributions and proportionate share of contributions		-		292,082		2,035		12	
City contributions subsequent to the measurement date Total	\$	511,510	\$	772,890	\$	25,106	\$	- 15,767	

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in the City's OPEB expense as follows:

	Non-hazardous	Hazardous
Year	Total	Total
2019	(46,273)	5,082
2020	(46,273)	5,082
2021	(46,273)	933
2022	(12,010)	(1,757)
2023	(77,510)	-
Thereafter	(33,042)	
	\$ (261,381)	\$ 9,340

Actuarial assumptions – The total OPEB liability in the June 30, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Valuation date Experience study Actuarial cost method June 30, 2016 July 1, 2008 – June 30, 2013 Entry age normal

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

4. - OPEB Plans (continued)

Amortization method Remaining amortization period Payroll growth rate Asset valuation method	Level percent of pay 27 years, closed 4.00% 20% of the difference between the market value of assets and the expected actuarial value of assets is recognized				
Inflation rate	3.25%				
Salary increases	4.00%, average				
Investment rate of return	7.50%				
Healthcare cost trend rates					
Under 65	Initial trend starting at 7.50% and gradually decreasing to an ultimate trend rate of 5.00% over a period of 5 years				
Ages 65 and Older	Initial trend starting at 5.50% and gradually decreasing to an ultimate trend rate of 5.00% over a period of 2 years				

Mortality rates were based on the RP-2000 Combined Mortality Table projected to 2013 with projection scale BB and set back one year for females. The RP-2000 Disabled Mortality Table set back four years for males is used for the period after disability retirement.

The remaining actuarial assumptions (e.g. initial per capita costs, health care cost trends, rate of plan participation, rates of plan election, etc.) used in the June 30, 2018 valuation were based on a review of recent plan experience done concurrently with the June 30, 2018 valuation.

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined by weighting the expected future real rates of return by the target asset allocation percentage.

The target allocation and best estimates of arithmetic real rates of return for each major asset class, as provided by KRS's investment consultant, are summarized in the following table:

T an a tam

		Long-term
Non-hazardous and Hazardous		Expected
	Target	Nominal

Illiquid Private	10.00%	8.50%
Private Equity	10.00%	6.50%
Real Estate	5.00%	9.00%
Absolute Return	10.00%	5.00%
Real Return	10.00%	7.00%
Cash	2.00%	1.50%
	100.00%	6.09%

Discount rate - The discount rate used to measure the total OPEB liability was 5.85% for nonhazardous and 5.97% for hazardous. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rates and the employer contributions will be made at statutorily required rates. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

The following table presents the City's proportionate share of the collective net OPEB liability of the System, calculated using the discount rate of 5.85% and 5.97% for non-hazardous and hazardous, respectively, as well as what the City's proportionate share of the collective net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.85% for non-hazardous and 4.97% hazardous) or 1-percentage-point higher (6.85% for non-hazardous and 6.97% for hazardous) than the current rate:

	1%		Current	1%		
	Decrease	Discount Rate		Discount Rate		Increase
	4.85%		5.85%	6.85%		
City's proportionate share of						
net non-hazardous OPEB liability	\$3,326,590	\$	2,561,201	\$1,909,230

8. - Proprietary Fund and Governmental Fund Changes in Long-term Debt (continued)

City of Hazard Water System Revenue Bonds, consisting of \$1,248,000 of Series A Bonds and \$752,000 of Series B Bonds were issued with a date of July 13, 2000. Initial interest payment at a rate of 4.5% became due July 1, 2002 and the initial principal payment became due January 1, 2003.

City of Hazard Sewer System Revenue Bonds, 2/3/2003, original amount of loan, \$450,000. Fixed interest rate of 4.5%.

In fiscal year 2017, the City of Hazard Sewer System received a loan from the Kentucky Infrastructure Authority in the amount of \$1,005,000 with a fixed interest rate of 1.75%. The loan requires a reserve account in the amount of \$2,800 per year until a balance of \$28,000 is reached.

City of Hazard Water System Revenue Bonds, consisting of \$1,569,000 of Series 2009 were issued with a date of January 27, 2010. Initial interest payment at a rate of 4.375% became due January 1, 2011 and the initial principal payment became due January 1, 2012.

City of Hazard Water System Revenue Bonds, consisting of \$2,282,000 of Series A Bonds and \$392,000 of Series B Bonds were issued with a date of October 2, 2014. Initial interest payment at a rate of 2.125% and 2.375%, respectively, became due January 1, 2015 and the initial principal payment became due January 1, 2016.

Total interest expense for year ended June 30, 2019 was \$263,740 and \$24,030 for proprietary funds and governmental funds, respectively.

The following is a summary of notes and bond payable transactions for the year ended June 30, 2019 by fund:

In July 2018, the City entered into a revolving line of credit with Peoples Bank & Trust for \$500,000. The note is collateralized with pledged occupational license taxes and ad valorem property taxes. The proceeds were used to pay the City's general operation expenses and satisfy a prior line of credit. At June 30, 2019, the remaining balance was \$199,840.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

9. - Cash and Investments - Restricted Funds

Certain assets of the City of Hazard are restricted at June 30, 2019 for customers' deposits and debt service. These assets consist of cash and short-term investments restricted as follows:

Water Fund	\$ 993,674
Gas Fund	25,000
Sewer Fund	 986,536
Total	\$ 2,005,210

10. - Cash Flow Statement

For purpose of the cash flow statement cash at June 30, 2019 is as follows:

Proprietary Funds	
Cash - unrestricted	\$ 1,298,130
Restricted	
Cash	2,005,210
	\$ 3,303,340

11. - Contingent Liabilities

In the normal course of business, the City is a defendant in various lawsuits. Defense of the lawsuits is being handled by the City's attorneys and insurance carriers and losses, if any, are expected to be covered by insurance. Management is of the opinion that none of these lawsuits will have a material adverse effect on the City's financial position.

12. - Excess Expenditures over Revenues

The following funds have excess operating expenditures over operating revenues before operating transfers in (out) and other financing sources (uses):

Pavilion Fund	\$ (312,166)
Water Fund	(1,321,319)
Sewer Fund	(332,933)
Asset Forfeiture Fund	(108,591)
Municipal Road Aid	(189,886)
FEMA Grant Fund	(3,454)
Forum Fund	(172,917)
Public Improvement Corporation	(65,129)
Fire-Police Pension Fund	(380,680)
Hazard Flood Inundation Mapping Project	\$ (17,227)

16. - Leasing Transactions

- As Lessor -

The City of Hazard, as lessor, has entered into the following agreements:

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

16. - Leasing Transactions (continued)

Tenant	Leased term	Monthly rent	Location
KVC Behavioral Healthcare, Inc.	June 30, 2020	\$ 2,909	The Forum
Commonwealth of Kentucky AML	June 30, 2025	\$ 3,900	The Forum

		2% of adjusted	
Drinkard Development, LLC	Monthly	base rents	Black Gold Plaza
KCTCS Kentucky Fire Commission	Monthly	\$ 3,000	65 Gorman Hollow Road

17. - Grant Programs

The City participates in numerous state and federal grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the City has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable at June 30, 2019 may be impaired. In the opinion of the City, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying combined financial statements for such contingencies.

To ensure adequate funds for major maintenance and replacement of the wastewater projects funded by the Kentucky Infrastructure Authority, the City of Hazard is required to set aside annually to a replacement reserve fund from current sewer revenues, after taking into account costs of operations and maintenance and debt service requirements an amount determined by the cabinet. Monies may be withdrawn from the account when major maintenance or replacement of equipment in excess of budgeted amounts is required.

18. – <u>Risk Management</u>

The City is exposed to various risks of loss related to limited torts; theft of, damage to and destruction of assets; errors and omissions and natural disasters for which the City carries commercial insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years, with the exception of contingent liabilities disclosed in the notes to the financial statements.

19. – <u>Commitments</u>

The City continues to participate in an ongoing interlocal cooperation with Perry County Fiscal Court agreement dated May 7, 2003 for the development of waterline extensions throughout Perry County.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2019

19. – Commitments

The City, acting as a political subdivision for a private activity bond issue, agreed to enter into a promissory note arrangement with Appalachian Regional Healthcare, Inc. (ARH) in the amount of \$55,867,000 after the end of the June 30, 2012 fiscal year. The City refinanced the issue named Series 2014 anticipation note having a par amount of \$42,000,000. The proceeds are used to finance improvements to medical facilities in Perry County, Kentucky. Debt service payments will not be administered directly by City personnel. The City has no obligation to repay the bond issue.

The City entered into an agreement with Rumpke of Kentucky, Inc. beginning January 1, 2016, for a five year period, awarding franchise and license privileges within the City to provide residential and commercial solid waste collection, transfer and disposal services. The City retains solid waste billing services and receives twenty percent of gross receipts from all collection and disposal services.

In addition, the City entered into an agreement with Perry Fiscal Court and Waste Connections of Kentucky, Inc. to provide billing and payment processing services at 8% of the total monthly amount billed for solid waste collection services to those customers who are also provided other City utility customer services.

Also, the City will propose subsequent to the financial statement date, a new sewer processing monthly rate to Sanitation District No. 1 in the amount of \$2.63 based on the audited financial statements.

Subsequent to the financial statement date, the City entered into an agreement through the Kentucky League of Cities' Kentucky Bond Corporation borrowing program to refinance \$3,375,000 in outstanding debt and described as follows: USDA loan #3, \$927,000; USDA loan #5, \$558,000; USDA loan #6, \$361,000 and USDA loan #10, \$1,387,000. The refinancing is anticipated to result in a savings to the City in the amount of \$572,935.

20. – Restatement of Net Position

Government-wide net position was increased by \$10,767, the net result of an increase of \$66,638 to restate an accounts payable to FEMA and a decrease of \$55,871 related to the transfer of Jarnigan Place in the prior fiscal year to National Housing Associates, Inc. as part of a project with the Kentucky Coalition Against Domestic Violence and United States Department of Housing and Urban Development to build a domestic violence shelter.

Fiduciary net position was decreased by \$844,148 to recognize GASB 68 implementation for the Fire-Police Pension Fund.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Commissioners City of Hazard, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Hazard, Kentucky, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the City of Hazard, Kentucky's basic financial statements and have issued our report thereon dated January 9, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Hazard, Kentucky's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Hazard, Kentucky's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Hazard, Kentucky's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2019-001 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Hazard, Kentucky's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City of Hazard, Kentucky's Response to Findings

City of Hazard, Kentucky's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. City of Hazard, Kentucky's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Chris Gooch Certified Public Accountant

Hazard, Kentucky

January 9, 2020

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

June 30, 2019

2018-001

Condition:	Fund financial statements presented for audit required several significant adjustments related to reconciliation and reclassification.
Criteria:	End of year closing information in anticipation of audited financial statements should be reviewed and reconciled to underlying documentation. Any potential differences should be documented to indicate management is aware of potential adjusting entries.
Cause:	Management does not have formal monitoring procedures to document differences and potential adjustments for end of year financial reporting.
Effect:	Annual financial reporting information presented for audit required significant adjustments to assure financial statements were fairly stated.
Recommendations:	The City should enhance its controls over fiscal year-end and interim processing to include review of transactions for all fund types to ensure significant adjustments are entered or acknowledged and significant account balances are reconciled.
Management's Response:	The City is in process of establishing procedures over fiscal year-end processing to include review of transactions for all fund types to assure significant adjustments are entered or acknowledged and significant account balances are reconciled. The City has implemented new accounting software anticipated to improve this deficiency. The City had begun conversion to the new accounting system at report date on a departmental basis.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

June 30, 2019

- SUMMARY OF AUDIT RESULTS -

- 1. We have issued an unmodified opinion on the financial statements.
- 2. No material weakness was disclosed by the audit of the financial statements, however a significant deficiency not identified as a material weakness was disclosed by the audit of the financial statements.
- 3. No material noncompliance was disclosed in our audit of the financial statements.
- 4. No material weakness or significant deficiency not identified as a material weakness was disclosed by the audit in internal control over major programs.
- 5. We have issued an unmodified opinion on compliance for major programs.
- 6. The audit did not disclose any audit findings which we are required to report under Section 200.516 of Title 2 U.S. Code of Federal Regulations Part 200.
- 7. City of Hazard had the following major programs:

U.S. Department of Interior Passed through Kentucky Natural Resources and Environmental Protection Cabinet Abandoned Mine Land Reclamation (AMLR) Program - AML Multisite Project—CFDA #15.252 - Coalfields Gas Supply Project—CFDA #15.252

- 8. The dollar threshold to distinguish between Type A and Type B programs was \$750,000.
- 9. The auditee did not qualify as a low-risk auditee under Section 200.520 of Title 2 U.S. Code of Federal Regulations Part 200.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

June 30, 2019

- FINDINGS RELATED TO THE FINANCIAL STATEMENTS -

2019-001

Condition:	Fund financial statements presented from the City's accounting system required several significant adjustments related to reconciliation and reclassification.
Criteria:	End of year and periodic closing information in anticipation of audited financial statements should be reviewed and reconciled to underlying documentation. Any potential differences should be documented to indicate management is aware of potential adjusting entries.
Cause:	Management has not implemented review and reconciliation procedures for transactions entered and potential adjustments for periodic and end of year financial reporting.
Effect:	Annual financial reporting information presented for audit required significant adjustments to assure financial statements were fairly stated.
Recommendations:	The City should enhance its controls over fiscal year-end and interim processing and reporting to include review of transactions and balances for all fund types to ensure significant adjustments are entered or acknowledged and significant account balances are reconciled.
Management's Response:	The City is in process of establishing procedures over year-end and interim processing and reporting to include review of transactions and balances for all fund types to assure significant adjustments are entered or acknowledged and significant account balances are reconciled. The City has implemented new accounting software anticipated to improve this deficiency.

For the Year Ended June 30, 2019

Note 1—Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of City of Hazard, under programs of the federal government for the year ended June 30, 2019 in accordance with the requirements of Title 2 U.S. code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the City of Hazard, it is not intended to and does not present the financial position, changes in net assets, or cash flows of City of Hazard.

Note 2—Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance*, wherein certain types of expenditures are not allowed or are limited as to reimbursement. City of Hazard has not elected to use the 10 percent de minimus indirect cost rate as allowed under Uniform Guidance.

*Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87 Cost Principles for State, Local and Indian Tribal Governments, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

To the Honorable Mayor and City Commissioners City of Hazard, Kentucky

Report on Compliance for Each Major Federal Program

We have audited the City of Hazard, Kentucky's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City of Hazard, Kentucky's major federal programs for the year ended June 30, 2019. City of Hazard, Kentucky's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City of Hazard, Kentucky's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Hazard, Kentucky's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Hazard, Kentucky's compliance.

Opinion on Each Major Federal Program

In our opinion, the City of Hazard, Kentucky, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of the City of Hazard, Kentucky, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Hazard, Kentucky's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Hazard, Kentucky's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficience is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance of the type of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
