Independent Auditor's Report

Report on the Audit of the Financial Statement

Opinions

We have audited the accompanying Statement of Receipts, Disbursements, and Changes in Fund Balances – Regulatory Basis of the Boyd County Fiscal Court, for the year ended June 30, 2023, and the related notes to the financial statement, which collectively comprise the Boyd County Fiscal Court's financial statement as listed in the table of contents.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the receipts, disbursements, and changes in fund balances – regulatory basis of the Boyd County Fiscal Court, for the year ended June 30, 2023, in accordance with accounting practices prescribed or permitted by the Commonwealth of Kentucky as described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Boyd County Fiscal Court, for the year ended June 30, 2023, or the changes in financial position and cash flows thereof for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Fiscal Court Audit Guide* issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Boyd County Fiscal Court and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the People of Kentucky
 The Honorable Andy Beshear, Governor
 Holly M. Johnson, Secretary
 Finance and Administration Cabinet
 The Honorable Eric Chaney, Boyd County Judge/Executive
 Members of the Boyd County Fiscal Court

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the Boyd County Fiscal Court on the basis of the accounting practices prescribed or permitted by the Department for Local Government to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statement

Boyd County Fiscal Court's management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting practices prescribed or permitted by the Department for Local Government to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws. This includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Boyd County Fiscal Court's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Boyd County Fiscal Court's ability to continue as a going concern for a reasonable period of time.

To the People of Kentucky
The Honorable Andy Beshear, Governor
Holly M. Johnson, Secretary
Finance and Administration Cabinet
The Honorable Eric Chaney, Boyd County Judge/Executive
Members of the Boyd County Fiscal Court

Auditor's Responsibilities for the Audit of the Financial Statement (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statement taken as a whole of the Boyd County Fiscal Court. The Budgetary Comparison Schedules and the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) are presented for purposes of additional analysis and are not a required part of the financial statement; however, they are required to be presented in accordance with accounting practices prescribed or permitted by the Department for Local Government to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws.

The accompanying Budgetary Comparison Schedules and Schedule of Expenditures of Federal Awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Budgetary Comparison Schedules and the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the financial statement as a whole.

Other Information

Management is responsible for the other information included in this report. The other information is comprised of the schedule of capital assets but does not include the financial statement and our auditor's report thereon. Our opinions on the financial statement do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statement, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statement, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

To the People of Kentucky
The Honorable Andy Beshear, Governor
Holly M. Johnson, Secretary
Finance and Administration Cabinet
The Honorable Eric Chaney, Boyd County Judge/Executive
Members of the Boyd County Fiscal Court

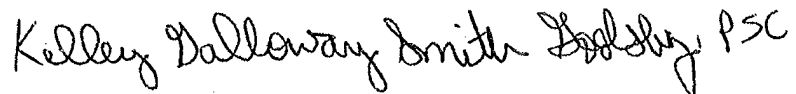

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 15, 2024, on our consideration of the Boyd County Fiscal Court's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Boyd County Fiscal Court's internal control over financial reporting and compliance.

Based on the results of our audit, we present the accompanying Schedule of Findings and Questioned Costs included herein, which discusses the following report findings:

- 2023-001 The Fiscal Court's Fourth Quarter Financial Report Was Materially Misstated
- 2023-002 Several Fund Line-Item Disbursements Exceeded Approved Budget Appropriations

Respectfully submitted,

NOTES TO FINANCIAL STATEMENT**

June 30, 2023

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The financial statement of Boyd County includes all budgeted and unbudgeted funds under the control of the Boyd County Fiscal Court. Budgeted funds included within the reporting entity are those funds presented in the county's approved annual budget and reported on the quarterly reports submitted to the Department for Local Government. Unbudgeted funds may include non-fiduciary financial activities, private purpose trust funds, and internal service funds that are within the county's control. Unbudgeted funds may also include any corporation to act as the fiscal court in the acquisition and financing of any public project which may be undertaken by the fiscal court pursuant to the provisions of Kentucky law and thus accomplish a public purpose of the fiscal court. The unbudgeted funds are not presented in the annual approved budget or in the quarterly reports submitted to the Department for Local Government.

Sanitation District No. 4 would have been included in the reporting entity under accounting principles generally accepted in the United States of America (GAAP) as established by the Governmental Accounting Standards Board. However, under the regulatory basis, it is no longer a required component of the reporting entity.

B. Basis of Accounting

The financial statement is presented on a regulatory basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP) as established by the Governmental Accounting Standards Board. This basis of accounting involves the reporting of fund balances and the changes therein resulting from cash inflows (cash receipts) and cash outflows (cash disbursements) to meet the financial reporting requirements of the Department for Local Government and the laws of the Commonwealth of Kentucky.

This regulatory basis of accounting differs from GAAP primarily because the financial statement format does not include the GAAP presentations of government-wide and fund financial statements, cash receipts are recognized when received in cash rather than when earned and susceptible to accrual, and cash disbursements are recognized when paid rather than when incurred or subject to accrual.

Generally, except as otherwise provided by law, property taxes are assessed as of January 1, levied (mailed) November 1, due at discount November 30, due at face value December 31, delinquent January 1 following the assessment, and subject to sale ninety days following April 15.

C. Basis of Presentation

Budgeted Funds

The fiscal court reports the following budgeted funds:

General Fund - This is the primary operating fund of the fiscal court. It accounts for all financial resources of the general government, except where the Department for Local Government requires a separate fund or where management requires that a separate fund be used for some function.

Road Fund - This fund is for road and bridge construction and repair. The primary sources of receipts for this fund are state payments for truck license distribution, municipal road aid, and transportation grants. The Department for Local Government requires the fiscal court to maintain these receipts and disbursements separately from the general fund.

C. Basis of Presentation (Continued)

Budgeted Funds (Continued)

Jail Fund - The primary purpose of this fund is to account for the jail expenses of the county. The primary sources of receipts for this fund are reimbursements from the state and federal governments, payments from other counties for housing prisoners, and transfers from the general fund. This fund also includes the home incarceration program. The Department for Local Government requires the fiscal court to maintain these receipts and disbursements separately from the general fund.

Local Government Economic Assistance Fund - The primary purpose of this fund is to account for grants for coal hauling roads and related disbursements such as county road maintenance, industrial and economic development, public safety, and environmental protection. The primary sources of receipts for this fund are grants from the state and federal governments.

Economic Development Fund - Grant money was received into this fund to purchase land to build and maintain a community center. The primary source of receipts for this fund are federal and state grants.

Special Projects Fund - The primary purpose of this fund is to account for major building projects around the county. The primary source of receipts for this fund are federal and state grants.

Escrow Fund - The primary purpose of this fund is to reserve funds from net profit tax payments received from large companies in the county in the event that a company estimated incorrectly and is due a refund. The primary sources of receipts for this fund are net profit tax proceeds transferred from the general fund.

Emergency Fund - The primary purpose of this fund is to account for special projects, emergency repairs, and COVID-19 related expenses. The primary sources of receipts for this fund are 5% of occupational tax, as well as federal, state, and local grants.

Senior Center Fund - The primary purpose of this fund is to maintain a community senior center that also houses the KY Northeastern Action Agency that provides services for the senior citizens. The primary sources of receipts for this fund are through the rental of the agency and rental of the recreation room and transfers from the general fund.

Federal Grants Fund - The primary purpose of this fund is to account for the American Rescue Program grant funds and related expenses. The primary sources of receipts for this fund are federal grants.

FEMA Fund - The primary purpose of this fund is to account for the county's FEMA related projects that they get reimbursed on. The primary sources of receipts for this fund are federal and state grants and temporary financing until the federal and state grants are received.

ABC Fund - The primary purpose of this fund is to account for the regulatory license fees collected and track its expenses in accordance with KRS 243.075. The primary sources of receipts for this fund are regulatory license fees collected.

Clerk Storage Fee Fund - The primary purpose of this fund is to account for the permanent storage fees collected and track its expenses in accordance with Senate Bill 135 passed during the General Assembly's 2022 session. The primary sources of receipts for this fund are storage fees collected by the county clerks.

C. Basis of Presentation (Continued)

Unbudgeted Funds

The fiscal court reports the following unbudgeted funds:

Public Properties Corporation Fund - This fund is used to account for the activity of the Boyd County Public Properties Corporation (BCPPC). Receipts and disbursements of this fund are generally restricted for specific purposes, such as issuance of debt for construction projects. The Department for Local Government does not require the fiscal court to budget this fund.

Jail Commissary Fund - The canteen operations are authorized pursuant to KRS 441.135. The profits generated from the sale of items are to be used for the benefit and to enhance the well-being of the inmates, or to enhance safety and security within the jail. The jailer is required to maintain accounting records and report annually to the county treasurer the receipts and disbursements of the jail commissary fund.

D. Budgetary Information

Annual budgets are adopted on a regulatory basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP) as established by the Governmental Accounting Standards Board and according to the laws of Kentucky as required by the state local finance officer.

The county judge/executive is required to submit estimated receipts and proposed disbursements to the fiscal court by May 1 of each year. The budget is prepared by fund, function, and activity and is required to be adopted by the fiscal court by July 1.

The fiscal court may change the original budget by transferring appropriations at the activity level; however, the fiscal court may not increase the total budget without approval by the state local finance officer. Disbursements may not exceed budgeted appropriations at the activity level.

The state local finance officer does not require the jail commissary fund to be budgeted because the fiscal court does not approve the expenses of this fund.

The state local finance officer does not require the public projects corporation fund to be budgeted. Bond indentures and other relevant contractual provisions require specific payments to and from this fund annually.

E. Boyd County Elected Officials

Kentucky law provides for election of the officials listed below from the geographic area constituting Boyd County. Pursuant to state statute, these officials perform various services for the Commonwealth of Kentucky, its judicial courts, the fiscal court, various cities and special districts within the county, and the board of education. In exercising these responsibilities, however, they are required to comply with state laws. Audits of their financial statements are issued separately and individually and can be obtained from their respective administrative offices. These financial statements are not required to be included in the financial statement of the Boyd County Fiscal Court.

- Circuit Court Clerk
- County Attorney
- Property Valuation Administrator
- County Clerk
- County Sheriff

Note 1. Summary of Significant Accounting Policies (Continued)

F. Deposits and Investments

The government's fund balance is considered to be cash on hand, demand deposits, certificates of deposit, and short-term investments with original maturities of three months or less from the date of acquisition. The government's fund balance includes cash and cash equivalents and investments.

KRS 66.480 authorizes the county to invest in obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

G. Long-term Obligations

The fund financial statement recognizes bond interest, as well as bond issuance costs when received or when paid, during the current period. The principal amount of the debt and interest are reported as disbursements. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as disbursements. Debt proceeds are reported as other adjustments to cash.

H. Joint Ventures

A legal entity or other organization that results from a contractual agreement and that is owned, operated, or governed by two or more participants as a separate activity subject to joint control, in which the participants retain (a) an ongoing financial interest or (b) an ongoing financial responsibility is a joint venture. Based on this criteria, the following are considered joint ventures of the Boyd County Fiscal Court:

- The East Park Industrial Park is disclosed as an organization jointly governed by the Kentucky counties of Boyd, Carter, Elliott, Greenup and Lawrence.
- The Greenup/Boyd Riverport Authority is disclosed as an organization jointly governed by the Kentucky counties of Greenup and Boyd.
- The 911 Board (Regional Public Safety Communication Center) is jointly governed by Boyd County, and the cities of Ashland and Catlettsburg.
- The Airport Board (Ashland Regional Airport) is jointly governed by Boyd County, Greenup County, and the City of Ashland.

Note 2. Deposits

The fiscal court maintained deposits of public funds with federally insured banking institutions as required by the Department for Local Government's (DLG) *County Budget Preparation and State Local Finance Officer Policy Manual*. The DLG Manual strongly recommends perfected pledges of securities covering all public funds except direct federal obligations and funds protected by federal insurance. In order to be perfected in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the fiscal court and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the government's deposits may not be returned. The government does not have a deposit policy for custodial credit risk, but rather follows the requirements of the *DLG County Budget Preparation and State Local Finance Officer Policy Manual*. As of June 30, 2023, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Transfers

The table below shows the interfund operating transfers for fiscal year 2023.

	General Fund	FEMA Fund	Escrow Fund	Federal Grants Fund	Total Transfers In
General Fund	\$	\$ 186,906	\$ 500,000	\$ 1,266	\$ 688,172

Senior Center Fund	5,000				5,000
Capital Projects Fund	774,407				774,407
Total Transfers Out	<u>\$ 9,990,507</u>	<u>\$ 467,906</u>	<u>\$ 950,000</u>	<u>\$ 1,266</u>	<u>\$ 11,409,679</u>

Reason for transfers:

To move resources from and to the general fund and other funds, for budgetary purposes, to the funds that will expend them.

Note 4. Custodial Funds

Custodial funds report only those resources held in a trust or custodial capacity for individuals, private organizations, or other governments. In accordance with the regulatory basis of accounting, custodial funds are not presented on the financial statement.

The fiscal court has the following custodial funds:

Jail Inmate Fund - This fund accounts for funds received from the inmates. The balance in the jail inmate fund as of June 30, 2023, was \$114,517.

Inmate Bond Fund - This fund accounts for funds received from the inmates for bonds. The balance in the inmate bond fund as of June 30, 2023, was \$5,072.

Drug Court Funds - These funds account for Agency for Substance Abuse Policy (ASAP) funds that have been set aside for certain drug court programs by the KY-ASAP Tri-County Local Board. This funding is intended for residential treatment services to drug court participants. Boyd County Fiscal Court acts as fiscal agent by dispersing funds at the request of the Judge of the Boyd County Misdemeanor Drug Court to the residential treatment provider. Two bank accounts have been set up to account for these funds and the balances as of June 30, 2023 were \$12,147 and \$3,357.

Note 4. Custodial Funds (Continued)

Federal Prison Occupational Tax Fund - This fund accounts for the occupational tax withholdings of employees from the Ashland Federal Prison Institution. At the end of each month, the occupational tax coordinator issues a check to pay these withholdings to the general fund of the county. During the fiscal year, this account received from federal prison employees and paid to the general fund \$42,828 in occupational tax.

Note 5. Lease Agreement

On June 22, 2016, the Boyd County Fiscal Court entered into a lease agreement to lease several vehicles for use by the county. The vendor will, on or about the date of delivery of each vehicle to the county, include a schedule covering the vehicle, which will include a description of the vehicle, the lease term, and the monthly rental and other payments due with respect to the vehicle. The agreement is a lease with a buy option and the county will not have right title, or interest in or to the vehicles except for the use of the vehicles as described in the agreement. The lease term commences on the delivery date of the vehicle and ends 60 months after the first full month rental payment date with an option to continue month-to-month for an unlimited period of time. This lease payment can change each year depending on additions and deletions of vehicles. The annual lease payments required under the leasing agreement at June 30, 2023, are as follows:

Fiscal Year Ending June 30	Amount
2024	\$ 230,731

The fiscal court has elected to participate, pursuant to KRS 78.530, in the County Employees Retirement System (CERS), which is administered by the Board of Trustees of the Kentucky Retirement Systems (Ky. Ret. Sys.). This is a cost-sharing, multiple-employer, defined benefit pension plan, which covers all eligible full-time employees and provides for retirement, disability, and death benefits to plan members. Benefit contributions and provisions are established by statute. Effective April 1, 2021, the Kentucky Public Pension Authority (KPPA) was created by KRS 61.505 to provide staffing and daily administrative needs for CERS and Ky. Ret. Sys. The CERS nine (9) member board of trustees is responsible for the governance of the CERS pension and insurance plans.

Note 7. Employee Retirement System (Continued)

The county's contribution for FY 2021 was \$1,879,979, FY 2022 was \$2,756,613, and FY 2023 was \$2,588,676.

Nonhazardous

Nonhazardous covered employees are required to contribute 5 percent of their salary to the plan. Nonhazardous covered employees who begin participation on or after September 1, 2008, are required to contribute 6 percent of their salary to be allocated as follows: 5 percent will go to the member's account and 1 percent will go to the KRS insurance fund.

In accordance with Senate Bill 2, signed by the Governor on April 4, 2013, plan members who began participating on or after January 1, 2014, were required to contribute to the Cash Balance Plan. The Cash Balance Plan is known as a hybrid plan because it has characteristics of both a defined benefit plan and a defined contribution plan. Members in the plan contribute a set percentage of their salary each month to their own accounts. Nonhazardous covered employees contribute 5 percent of their annual creditable compensation. Nonhazardous members also contribute 1 percent to the health insurance fund which is not credited to the member's account and is not refundable. The employer contribution rate is set annually by the Ky. Ret. Sys. Board of Directors based on an actuarial valuation. The employer contributes a set percentage of the member's salary. Each month, when employer contributions are received, an employer pay credit is deposited to the member's account. A member's account is credited with a 4 percent employer pay credit. The employer pay credit represents a portion of the employer contribution.

Benefits fully vest on reaching five years of service for nonhazardous employees. Aspects of benefits for nonhazardous employees include retirement after 27 years of service or age 65. Nonhazardous employees who begin participation on or after September 1, 2008, must meet the rule of 87 (member's age plus years of service credit must equal 87, and the member must be a minimum of 57 years of age) or the member is age 65, with a minimum of 60 months service credit.

The county's contribution rate for nonhazardous employees was 26.79 percent for the year.

Other Post-Employment Benefits (OPEB)

A. Health Insurance Coverage - Tier 1

CERS provides post-retirement health care coverage as follows:

For members participating prior to July 1, 2003, years of service and respective percentages of the maximum contribution are as follows:

Years of Service	% Paid by Insurance Fund	% Paid by Member through Payroll Deduction
20 or more	100%	0%
15-19	75%	25%
10-14	50%	50%
4-9	25%	75%
Less than 4	0%	100%

Note 7. Employee Retirement System (Continued)

Other Post-Employment Benefits (OPEB) (Continued)

A. Health Insurance Coverage - Tier 1 (Continued)

As a result of House Bill 290 (2004 General Assembly), medical insurance benefits are calculated differently for members who began participation on or after July 1, 2003. Once members reach a minimum vesting period of ten years, non-hazardous employees whose participation began on or after July 1, 2003, earn ten dollars per month for insurance benefits at retirement for every year of earned service without regard to a maximum dollar amount. This dollar amount is subject to adjustment annually based on the retiree cost of living adjustment, which is updated annually due to changes in the Consumer Price Index.

Benefits are covered under KRS 78.5536.

B. Health Insurance Coverage - Tier 2 and Tier 3 - Nonhazardous

Once members reach a minimum vesting period of 15 years, they earn ten dollars per month for insurance benefits at retirement for every year of earned service without regard to a maximum dollar amount. This dollar amount is subject to adjustment annually by 1.5 percent. This was established for Tier 2 members during the 2008 Special Legislative Session by House Bill 1. During the 2013 Legislative Session, Senate Bill 2 was enacted, creating Tier 3 benefits for members.

The monthly insurance benefit has been increased annually as a 1.5 percent cost of living adjustment (COLA) since July 2003 when the law changed. The annual increase is cumulative and continues to accrue after the member's retirement.

Tier 2 member benefits are covered by KRS 78.5536. Tier 3 members are not covered by the same provisions.

C. Cost of Living Adjustments - Tier 1

The 1996 General Assembly enacted an automatic cost of living adjustment (COLA) provision for all recipients of KRS benefits. During the 2008 Special Session, the General Assembly determined that each July beginning in 2009, retirees who have been receiving a retirement allowance for at least 12 months will receive an automatic COLA of 1.5 percent. The COLA is not a guaranteed benefit. If a retiree has been receiving a benefit for less than 12 months, and a COLA is provided, it will be prorated based on the number of months the recipient has been receiving a benefit.

D. Cost of Living Adjustments - Tier 2 and Tier 3

No COLA is given unless authorized by the legislature with specific criteria. To this point, no COLA has been authorized by the legislature for Tier 2 or Tier 3 members.

E. Death Benefit

If a retired member is receiving a monthly benefit based on at least 48 months of service credit, KRS will pay a \$5,000 death benefit payment to the beneficiary designated by the member specifically for this benefit. Members with multiple accounts are entitled to only one death benefit.

F. Ky. Ret. Sys. Annual Financial Report and Proportionate Share Audit Report

Ky. Ret. Sys. issues a publicly available annual financial report that includes financial statements and required supplementary information on CERS. This report may be obtained by writing the Kentucky Public Pensions Authority, 1260 Louisville Road, Frankfort, KY 40601-6124, or by telephone at (502) 564-4646.

KPPA also issues proportionate share audit reports for both total pension liability and other post-employment benefits for CERS determined by actuarial valuation as well as each participating county's proportionate share. Both the Schedules of Employer Allocations and Pension Amounts by Employer and the Schedules of Employer Allocations and OPEB Amounts by Employer reports and the related actuarial tables are available online at <https://kyret.ky.gov>. The complete actuarial valuation report, including all actuarial assumptions and methods, is also available on the website or can be obtained as described in the paragraph above.

Note 8. Deferred Compensation

The Boyd County Fiscal Court voted to allow all eligible employees to participate in deferred compensation plans administered by the Kentucky Public Employees' Deferred Compensation Authority. The Kentucky Public Employees' Deferred Compensation Authority is authorized under KRS 18A.230 to 18A.275 to provide administration of tax sheltered supplemental retirement plans for all state, public school and university employees, and employees of local political subdivisions that have elected to participate.

These deferred compensation plans permit all full time employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. Participation by eligible employees in the deferred compensation plans is voluntary.

Historical trend information showing the Kentucky Public Employees' Deferred Compensation Authority's progress in accumulating sufficient assets to pay benefits when due is presented in the Kentucky Public Employees' Deferred Compensation Authority's annual financial report. This report may be obtained by writing the Kentucky Public Employees' Deferred Compensation Authority at 501 High Street, 2nd Floor, Frankfort, KY 40601, or by telephone at (502) 573-7925.

Note 9. Health Reimbursement Account

The fiscal court has set up a health reimbursement account (HRA) account for employees to participate in for their health care needs, such as paying for doctor visits and prescriptions up to their insurance deductible amount. It is handled by a third party administrator. The fiscal court contributes \$500 for each employee to offset their medical expenses.

Note 10. Insurance

For the fiscal year ended June 30, 2023, the Boyd County Fiscal Court was a member of the Kentucky Association of Counties' All Lines Fund (KALF). KALF is a self-insurance fund and was organized to obtain lower cost coverage for general liability, property damage, public officials' errors and omissions, public liability, and other damages. The basic nature of a self-insurance program is that of collectively shared risk by its members. If losses incurred for covered claims exceed the resources contributed by the members, the members are responsible for payment of the excess losses.

Note 11. Conduit Debt

From time to time, the county has issued bonds to provide financial assistance to for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest, in accordance with KRS 103.210. This debt may take the form of certain types of limited-obligation revenue bonds, certificates of participation, or similar debt instruments. Although conduit debt obligations bear the Boyd County Fiscal Court's name as issuer, the fiscal court has no obligation for such debt beyond the resources provided by a lease or loan with the third party on whose behalf it is issued. Neither the fiscal court nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statement. As of June 30, 2023, conduit debt has been issued but the amount currently outstanding is not reasonably determinable.

Note 12. Prior Period Adjustment

The beginning balance was restated and increased for prior year general obligation bond accounts added to the general fund for \$927,730. The capital projects fund was renamed the Public Properties Corporation fund since the general obligation bonds accounts were moved to the general fund where they should have been and as a result the beginning balance was restated and decreased by \$927,730.

BOYD COUNTY
NOTES TO REGULATORY SUPPLEMENTARY
INFORMATION - BUDGETARY COMPARISON SCHEDULES

June 30, 2023

Note 1. Budgetary Information

Annual budgets are adopted on a regulatory basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP) as established by the Governmental Accounting Standards Board and according to the laws of Kentucky as required by the state local finance officer.

The county judge/executive is required to submit estimated receipts and proposed disbursements to the fiscal court by May 1 of each year. The budget is prepared by fund, function, and activity and is required to be adopted by the fiscal court by July 1.

The fiscal court may change the original budget by transferring appropriations at the activity level; however, the fiscal court may not increase the total budget without approval by the state local finance officer. Disbursements may not exceed budgeted appropriations at the activity level.

Note 2. Excess of Disbursements Over Appropriations

The Road Fund, administration line-item exceeded budgeted appropriations by \$499,953.

The Jail Fund, administration line-item exceeded budgeted appropriations by \$325,406.

The Economic Development Fund, general government line-item exceeded budgeted appropriations by \$4,027.

The Economic Development Fund, administration line-item exceeded budgeted appropriations by \$49,312.

The Special Projects Fund, roads line-item exceeded budgeted appropriations by \$71,905.

The Special Projects Fund, administration line-item exceeded budgeted appropriations by \$1,386,288.

The Senior Center Fund, social services line-item exceeded budgeted appropriations by \$3,000.

The FEMA Fund, general government line-item exceeded budgeted appropriations by \$1,464,244.

The FEMA Fund, debt service line-item exceeded budgeted appropriations by \$1,860,177.

The ABC Fund, general government line-item exceeded budgeted appropriations by \$144,317.

BOYD COUNTY
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

June 30, 2023

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal award activity of Boyd County, Kentucky under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Boyd County, Kentucky, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Boyd County, Kentucky.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the basis of the accounting practices prescribed or permitted by the Department for Local Government to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

Note 3. Indirect Cost Rate

Boyd County has not adopted an indirect cost rate and has not elected to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Report On Internal Control Over Financial Reporting And
On Compliance And Other Matters Based On An Audit Of The Financial
Statement Performed In Accordance With *Government Auditing Standards*

Independent Auditor's Report

The Honorable Eric Chaney, Boyd County Judge/Executive
Members of the Boyd County Fiscal Court

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Statement of Receipts, Disbursements, and Changes in Fund Balances - Regulatory Basis of the Boyd County Fiscal Court for the fiscal year ended June 30, 2023, and the related notes to the financial statement which collectively comprise the Boyd County Fiscal Court's financial statement and have issued our report thereon dated February 15, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Boyd County Fiscal Court's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Boyd County Fiscal Court's internal control. Accordingly, we do not express an opinion on the effectiveness of the Boyd County Fiscal Court's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described in the accompanying Schedule of Findings and Questioned Costs, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings and Questioned Costs as items 2023-001 and 2023-002 be material weaknesses.

Independent Auditor's Report On Internal Control Over Financial Reporting And
On Compliance And Other Matters Based On An Audit Of The Financial
Statement Performed In Accordance With *Government Auditing Standards*
(Continued)

Report on Compliance And Other Matters

As part of obtaining reasonable assurance about whether the Boyd County Fiscal Court's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings and Questioned Costs as items 2023-001 and 2023-002.

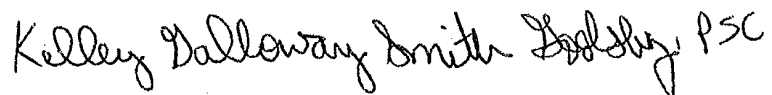

Views of Responsible Officials and Planned Corrective Action

Boyd County's views and planned corrective action for the findings identified in our audit are included in the accompanying Schedule of Findings and Questioned Costs. The county's responses were not subjected to the auditing procedures applied in the audit of the financial statement, and accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully submitted,

Report On Compliance For Each Major Federal Program
And Report On Internal Control Over Compliance
In Accordance With The Uniform Guidance

Independent Auditor's Report

The Honorable Eric Chaney, Boyd County Judge/Executive
Members of the Boyd County Fiscal Court

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Boyd County Fiscal Court's compliance with the types of compliance requirements identified as subject to audit in the *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the Boyd County Fiscal Court's major federal programs for the year ended June 30, 2023. The Boyd County Fiscal Court's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, Boyd County Fiscal Court complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Boyd County Fiscal Court and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Boyd County Fiscal Court's compliance with the compliance requirements referred to above.

Report On Compliance For Each Major Federal Program
And Report On Internal Control Over Compliance
In Accordance With Uniform Guidance
(Continued)

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Boyd County Fiscal Court's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Boyd County Fiscal Court's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Boyd County Fiscal Court's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Boyd County Fiscal Court's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Boyd County Fiscal Court's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Boyd County Fiscal Court's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report On Compliance For Each Major Federal Program
And Report On Internal Control Over Compliance
In Accordance With Uniform Guidance
(Continued)

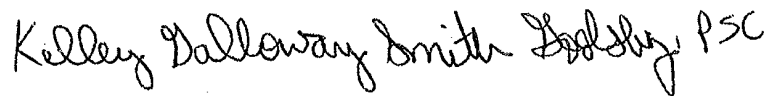

Report on Internal Control Over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Section II: Financial Statement Findings

2023-001 The Fiscal Court's Fourth Quarter Financial Report Was Materially Misstated

This is a repeat finding and was included in the prior year audit report as finding 2022-001. The fiscal court's fourth quarter financial report, which serves as the county's year-end financial statement, was materially misstated. Adjustments and reclassifications were necessary to record and classify transactions properly. In order for the county's financial statement to accurately reflect receipts, adjustments, and reclassifications net totaling \$8,233,873 were necessary. Likewise, adjustments and reclassifications net totaling \$1,562,255 were necessary for disbursements to be recorded and classified correctly on the financial statement. The largest portion of this was carryover bond proceeds not spent yet. According to the treasurer, she was not aware the way she recorded certain transactions was incorrect.

The county did not have adequate internal control, oversight, and review procedures in place to ensure financial activity was accurately recorded and reported in accordance with the uniform system of accounts as required. As a result, numerous errors and misstatements occurred and were undetected resulting in the financial statement being materially misstated. Inaccurate financial reporting is problematic because the commissioners and county judge/executive rely on financial data presented to them to be complete and accurate in order to make prudent financial decisions on behalf of the county and taxpayers. Furthermore, external organizations may use and rely on financial information reported by the county so accurate financial reporting should be a priority.

KRS 68.210 gives the state local finance officer the authority to prescribe a uniform system of accounts. The *County Budget Preparation and State Local Finance Officer Policy Manual* requires officials to submit quarterly reports to the Department for Local Government by the 20th day following the close of each quarter. The uniform system of accounts has specific requirements on how to record various types of transactions for different funds and fund types. The most basic requirement of the uniform system of accounts is that all transactions are recorded and classified correctly.

We recommend the county treasurer thoroughly examine each account line-item on the quarterly report to ensure items were posted properly. Each adjustment made by auditors has been presented to and reviewed with the county treasurer. We recommend the county treasurer use these adjustments as guidance when preparing future financial statements. In addition, we recommend the fiscal court establish adequate internal controls, oversight, and review procedures to ensure that all financial data is completely and accurately recorded and reported.

Views of Responsible Official and Planned Corrective Action:

County Judge/Executive's Response: County has a new financial system and the finance officer and treasurer have established internal controls to oversee the reports.

BOYD COUNTY
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For The Year Ended June 30, 2023
(Continued)

Section II: Financial Statement Findings (Continued)

2023-002 Several Fund Line-Item Disbursements Exceeded Approved Budget Appropriations

The total available budget for all funds was \$49,594,325 and the total disbursements for all funds was \$34,396,311. However, certain fund line-item disbursements exceeded approved budget appropriations as follows:

- The Road Fund, administration line-item exceeded budgeted appropriations by \$499,953.
- The Jail Fund, administration line-item exceeded budgeted appropriations by \$325,406.
- The Economic Development Fund, general government line-item exceeded budgeted appropriations by \$4,027.
- The Economic Development Fund, administration line-item exceeded budgeted appropriations by \$49,312.
- The Special Projects Fund, roads line-item exceeded budgeted appropriations by \$71,905.
- The Special Projects Fund, administration line-item exceeded budgeted appropriations by \$1,386,288.
- The Senior Center Fund, social services line-item exceeded budgeted appropriations by \$3,000.
- The FEMA Fund, general government line-item exceeded budgeted appropriations by \$1,464,244.
- The FEMA Fund, debt service line-item exceeded budgeted appropriations by \$1,860,177.
- The ABC Fund, general government line-item exceeded budgeted appropriations by \$144,317.

The fiscal court installed new accounting software during the year, and the treasurer was unable to do budget transfers in the new software without them showing up as amendments. They tried a couple different ways and none of them worked. Due to not having adequate training on the new system and/or the limitations of the new system, control procedures were not in place for the county to properly track budget to actual disbursements during the year.

KRS 68.300 states, “[a]ny appropriation made or claim allowed by the fiscal court in excess of any budget fund, and any warrant or contract not within the budget appropriation, shall be void.”

We recommend the fiscal court and the county treasurer monitor the budget more closely and transfer necessary appropriations in order to prevent the county from exceeding the budget on individual line items. Further, we recommend the fiscal court make sure all transfers are accurately reflected on the quarterly report.

Views of Responsible Official and Planned Corrective Action:

County Judge/Executive’s Response: Corrections have been made in our financial system for future budget amendments and how to enter them correctly.
